REGISTRATION

This course is aimed at Plastic Surgeons, Orthopedic Surgeons and Hand Surgeons who want to improve their technical skills in planning, harvesting and handling peripheral nerve reconstruction on upper and lower limb. The course consists of discussions about clinical anatomy, dissection techniques and experts lectures followed by practical sessions with cadaver dissection performed by participants.

Participation to the dissection course is limited to 30 surgeons accepted on a "first registered, first served" basis. Whoever is interested can register for the Course filling in the on-line registration form on the web site www.arm2013.net

Registration is accepted on receipt of the registration fee and the completed registration form. Course fee is 1,800.00 Euros plus 21% tax when applicable* and can be settled:

- by credit card DIRECTLY from the registration form
- by bank transfer (bank charges settled by participant)

*PLEASE CONTACT THE ORGANIZING SECRETARIAT VIA E-MAIL AT info@studioprogress.it BEFORE FINALIZING THE PAYMENT OF THE REGISTRATION FEE, AS E.U. TAX REGULATIONS KEEP CHANGING AND WE MUST CHECK IF TAX IS TO BE APPLIED OR NOT

Registration fee includes: scientific sessions, dissection on cadavers, course abstracts, coffee breaks, lunches, gala dinner, attendance certificate. Hotel accommodation is not included, but a number of rooms are being held for participants at a selected 3 star hotel very close to the Course venue. Please contact the Organizing Secretariat for reservation.
